We will also be sharing the flood and snow photographs in the Community archives. If you have any to share please either bring them along on the evening or feel free to get in touch in advance. Thank you.

The Jubilee will also be an opportunity to add to our Community archive and collect photos from the 2022 celebrations to record for future generations. If you have any photographs you are happy to share please do get in touch.

Our first discussions will be held at the January Heritage Hub on Monday 10th January, if you would be happy to be part of the small team drawing the display together it would be great to hear from you.
