

Hope this finds everyone well and having enjoyed the lovely spring like weather. Isn't it lovely to see all the bright spring flowers blooming!

**Queens Platinum Jubilee tree - part of:
'The Queens Green Canopy - Plant a tree for the Jubilee'**

A Copper Beech has been planted in Escrick Churchyard and we were delighted that Bishop John, Bishop of Selby and Rev Jackie Doyle Brett came along to dedicate it on Saturday 12th March. Lovely also that many of you were able to come along and then join Bishop John and Jackie for a cup of tea in Church afterwards. Great to think that the tree should still be providing shade for people in 150 year time!

As we mentioned last month, we are planning a display of photographs and memorabilia of past royal Jubilee's which will be in Church for the first 2 weeks of June. If you have any photographs of Jubilees of the past which we could scan for the archive it would be great to hear from you, likewise if you have any memorabilia we could photograph.

If you would like to be part of the team drawing the display together, again please do get in touch at escrickchurch@gmail.com Thank you.
