

## George Walker Milburn (1844 to 1941) ...

... Thank you very much to Dr Tony Power who joined us last month by Zoom, after we negotiated the complexities of the computer speakers! Following the Church fire in 1923, George Milburn, a renowned York sculptor and carver, was engaged to design and create the new oak panels for the choir stalls, organ screen, pulpit and probably the lectern.

Tony told us that there are lots of works around York created by Milburn and there is a blue plaque at the side of Bootham Bar, where he had his workshop for many years. Tony is finalising a biography of Milburn and we look forward to reading more in due course.

## Escrick Heritage Group Meeting Wednesday 1st March in Church 7.30pm
